**RE: SUSPENSION OF PUPILLAGE PROGRAMME FOR THE ACADEMIC YEAR  
2022/2023**

Following the publication of the **Students Guide to the ATP Examination 2022/2023** by the **Council for Legal Education**, all students who have commenced Pupillage Programme for the Academic Year 2022/2023 are notified that Pupillage Programme shall be suspended with effect from **6<sup>th</sup> March 2023** to **31<sup>st</sup> March 2023**.

The suspension is aimed at enabling the students to prepare and sit for the exams. All students are required to inform their Pupil Masters accordingly and get leave days.

Upon resumption of pupillage as from **3<sup>rd</sup> April 2023**, students are expected to serve extra days to compensate for the suspension period so as to meet the statutory six calendar months' pupillage period.

The School wishes all the students success in their ATP Exams.
