#### RE: PUPILLAGE COMMENCEMENT

Following requests from numerous students we have decided to review, on pilot basis, the pupillage commencement calendar as follows:-

- a) Students intending to serve pupillage in pupillage centers outside Nairobi County shall commence pupillage between 2nd of January and not later than 1st April of every succeeding year, subject to have previously attempted the Bar Examination;
- b) Students intending to serve pupillage in pupillage centers within Nairobi County shall commence pupillage between 2nd of January and not later than 30 November of every succeeding year, subject to have previously attempted the written Bar Examination;

All students are expected to continue abiding by the terms and conditions of the Pupillage Deed.

Thank You.

Dr. Henry K. Mutai
