THE KENYA SCHOOL OF LAW

Introduction

The Kenya School of Law Continuing Professional Development Section offers quality training in law relating to various disciplines for the professional development of lawyers, public, state officers and private sector actors. The section also undertakes research and consultancy projects from various stakeholders.

The School has developed an elaborate annual calendar on various courses touching on wide array of disciplines. However, should you feel that the calendar does not exhaustively address the training need of your organization, upon request the School can tailor make a course for your organization.

To continue developing in your area of expertise please register for our professional career development courses.

Mission

A preferred centre of excellence in professional legal training, research and consultancy in the East African region and beyond

Vision

To offer quality practical training in law and other related disciplines for the professional development of lawyers and other actors in the legal sector, and to undertake research, consultancies and projects
